LOST DOG PROCEDURE - In the event that a dog is lost whilst at the show only the grounds hired for the event can be searched initially.

If the dog is not found within the hired grounds the show secretary must be informed immediately.

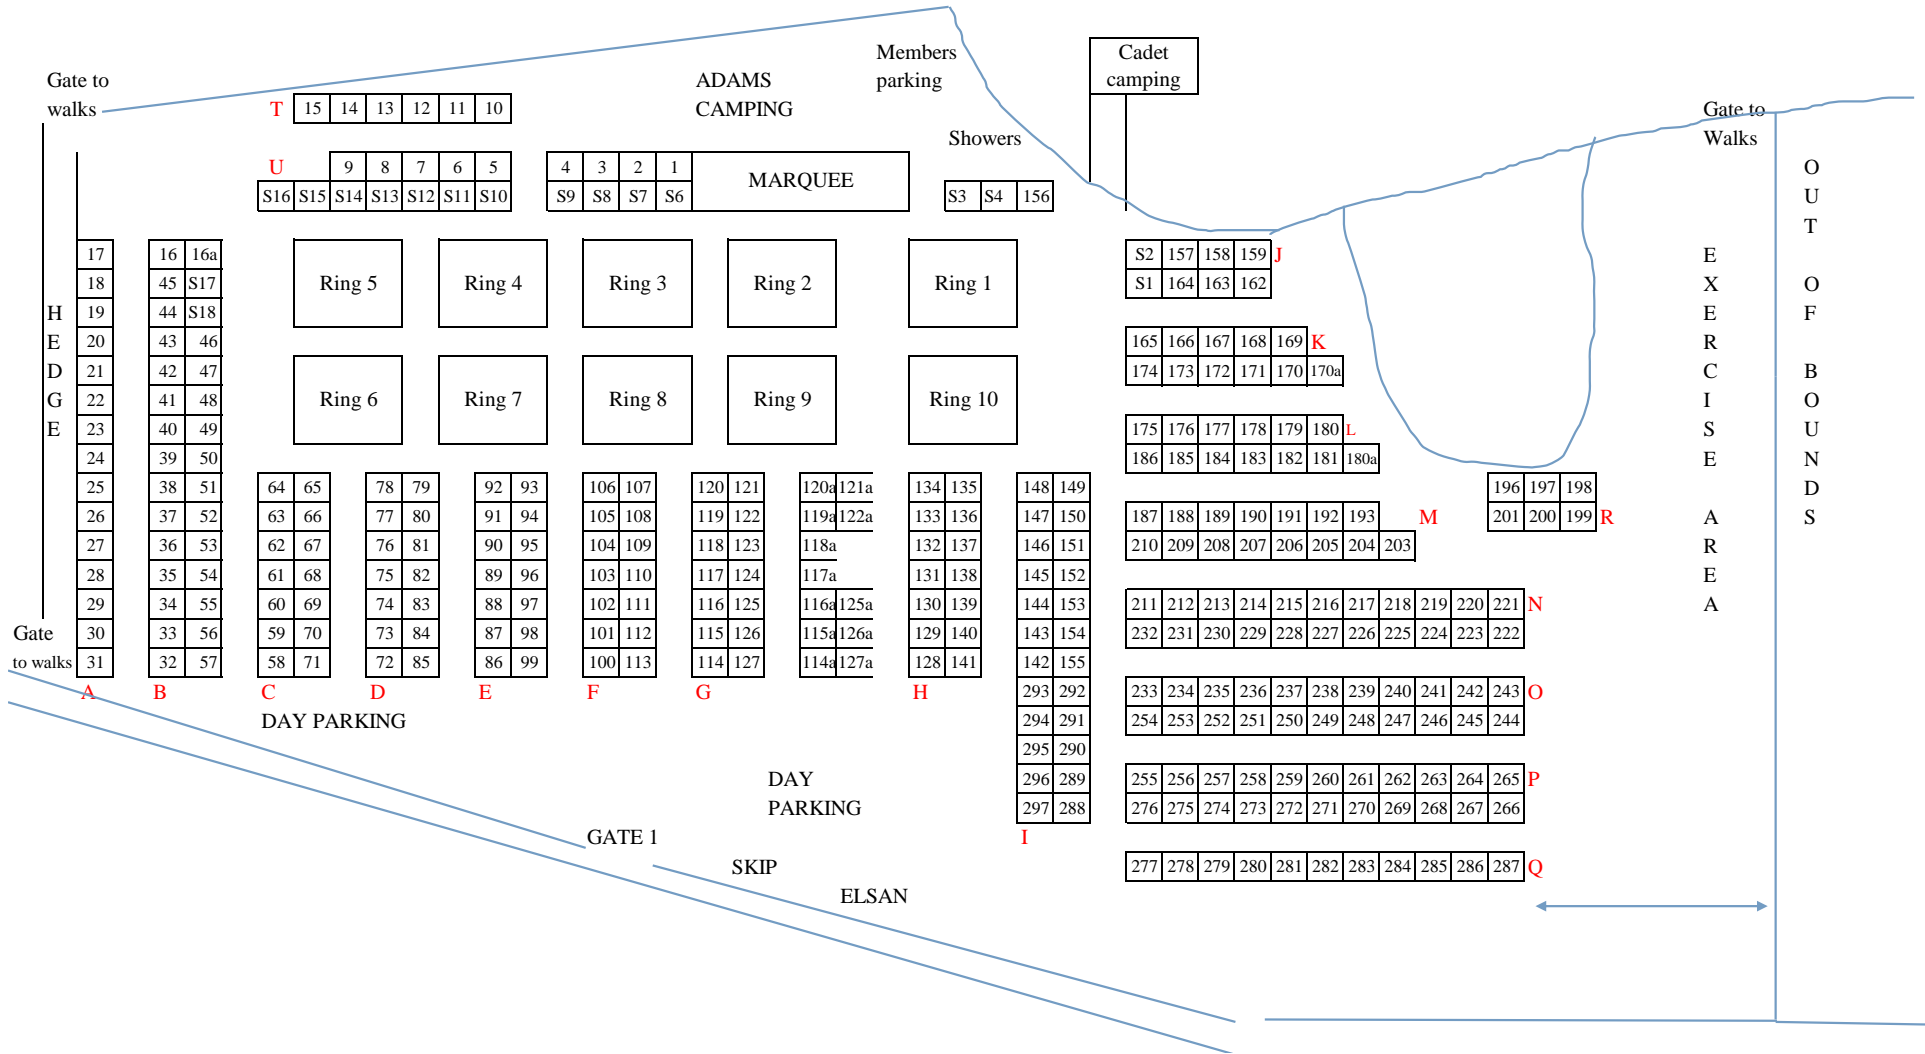

If the show secretary's marquee is closed, ring the show secretary on 07775 858819.

The show secretary will then contact the landowner or designated person for permission for any organised search to be made beyond those grounds which have been hired. Under NO circumstances whatsoever is a search to be made of grounds or property without the owners' prior permission.

Results: Due to GDPR restrictions we will not be posting results to Facebook this year instead we will be putting the results for all classes on www.agilityshows.online. We will also be using the new electronic scoring and results system from Agility Aid on Rings 1 & 2. This offers ringside scoring and live results which will be available to view by visiting www.agilityaid.co.uk.

Feedback: We welcome constructive feedback, so please after the show go to www.derbyshireagility.co.uk, take our post-show survey and give us your thoughts.
