

## PACHESHAM WINTER SERIES 9<sup>th</sup> December 2018

**Judging is at 10am, course walking from 9.30, please do not arrive before 9am.**

We have 3 car parks, the first car park is right between the two rings but when it's full it's full so if you arrive after the show has started then you are best to park in the second car park (just after the horse walker, between the indoor school and the arena). They need to be able to drive a large lorry through the middle of this car park so if you park there please bear that in mind. If that car park is full then please park on the drive. Do NOT park anywhere else. The speed limit is 5mph. If you are caught breaking the speed limit you will be asked to leave.

There are two rings, plan below. The rings are mostly fenced but not 100% secure. The Agility will be in the indoor school and the jumping/steeplechases either in the field opposite the muck heap or in the outdoor arena depending on the state of the ground when we set up on Saturday. This is not a beginners show so we do not shut the gate.

Prize giving for each class will take place in the ring while the course is being walked for the next class.

**The stable yard is out of bounds at all times.** You can walk your dogs round the cross country course and in the woods. All the fences are electric. If your dog is not good around horses please keep it on the lead. Please pick up after your dog in all areas and put all poo bags in the wheelie bin by the agility ring.

The catering, Kim's Kitchen, is situated at the top of the drive behind the bus and will be open from about 10.30. The bus is the seating area for the catering. We provide free tea and coffee (self service) from the urn in the corner of the indoor school.

Dogs will run in the height order listed below each class, some of the heights have quite small numbers so make sure that you are at the ring. Please sign in when you walk the course so that we know you are there. We do not have running orders the scrimer needs to know your name and your dogs name. A list of dogs and classes entered are on the next two pages.
