ELIGIBILITY FOR CLASSES

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Championship Agility, Premier Agility, Open Agility or Limited Agility Shows (i.e. special classes and invitational events excepted). Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping classes. All standard classes must contain the Weaving Poles obstacle. Standard Agility classes must contain the following elements: "A Ramp", Dog Walk and See-Saw. With this proviso classes are defined as follows:-

A maximum of four standard classes may be scheduled for any dog on an individual day of competition. Any number of special classes may be scheduled.

Class Structure. A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for a maximum of three consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

Progression. Progression from each Grade will be determined by the eligibility for the class as referenced in H(1)(A)11. Results from Combined Classes will only count towards progression from the dog's current grade. To count for progression wins must be gained in standard classes at Kennel Club Licensed Agility Shows. Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Competitors will be allowed to walk the course set at Small, Medium, Intermediate or Large height without their dog(s) before the class begins.

Points Progression. At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers). A minimum of 50 points must be gained in agility (not jumping) classes in the relevant grade. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.

Standard Classes

Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1 the two wins and points progression referred to in the definition apply to only one dog and not an accumulation of dogs.

Grade 1 Open to owners, handlers or dogs which have not gained a minimum of two first places at Grade 1 at Kennel Club Licensed Agility Shows, at least one of which must have been gained in an agility (not jumping) class. N.B Owners, handlers or dogs previously qualified out of Grade 1 are not eligible for this class.

Grade 2 Open to dogs which are not eligible for Grade 1, or have elected to progress on points from Grade 1 and are not eligible for grades 3, 4, 5, 6, or 7.

Grade 3 Open to dogs which have gained a minimum of two first places at Grade 2 at Kennel Club Licensed Agility Shows, one of which must have been gained in an agility (not jumping) classes, or have elected to progress on points from Grade 2 and are not eligible for Grades 2, 4, 5, 6 or 7.

Grade 4 Open to dogs which have gained a minimum of three first places at Grade 3 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping) classes, or have elected to progress on points from Grade 3 and are not eligible for Grades 2, 3, 5, 6 or 7.

Grade 5 Open to dogs which have gained a minimum of four first places at Grade 4 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 6 or 7.

Grade 6 Open to dogs which have gained a minimum of four first places at Grade 5 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 5 or 7.

Grade 7 Open to dogs which have gained a minimum of five first places at Grade 6 at Kennel Club Licensed Agility Shows, three of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 5 or 6.

Special Classes

Societies may schedule classes other than those defined above as "Special Classes". The eligibility for "Special" Classes must be defined by the Society and included in the schedule. The word "Special" must be included in the title of the class. Where classes are classified for older and/or inexperienced dogs, the height of the hurdles, the A-Ramp and the dog walk, and the length of the long jump, may be reduced below the dimensions specified in these regulations, in which case such dimensions must be included in the class definition in the show schedule.

Marking for special classes may deviate from marking for standard classes, but must be specified in the schedule. Wins, places and clear rounds in special classes will not count towards agility warrant points or grade progression at Kennel Club Shows.

The Grand National

Sponsored by

The Heats

- There will be five qualifying heats throughout the year. These will be open to all Large, Intermediate, Medium and Small dogs who compete in standard KC classes. They will consist of two qualifying rounds. One KC standard jumping class and one KC standard agility class. The classes will be set as C1-4 and C5-7. The top ten dog and handler partnerships with the most accumulated points over the 2 rounds will go through to an invitation Semi-final on the day. To achieve points, you must enter both classes. Rosettes and Trophies for the two qualifying rounds will be as per the schedule.
- In the event of a tie for the last place, the time/ faults will be considered for both qualifying rounds to determine the last qualifying place. The calculation to determine the last place is: Firstly, the dog with the least course faults in both agility and jumping rounds. If these are still equal the dog with the fastest combined time will qualify.
- Points will be awarded for placings in the agility and jumping rounds as follows:

Agility: 1st place = 20 points, 2nd place = 19 points etc. down to a maximum of 10th place. Unplaced Clear rounds = 2 points

Jumping: 1st place = 10 points, 2nd place = 9 points etc. down to a maximum of 10th place. Unplaced Clear rounds = 1 points

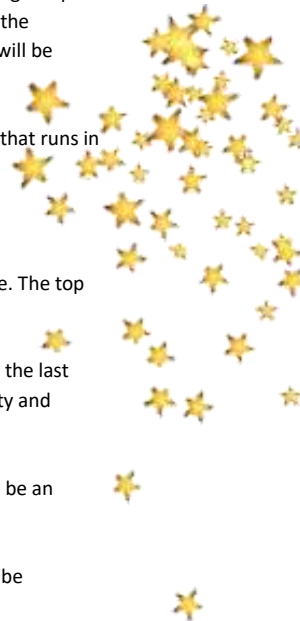

Elimination in either round will exclude you from the semi-final. (Not competing in one part of the competition will mean you are not eligible for the semi-final, but points can be accumulated for the Grand - Final).

- The semi-final will consist of a Special Invitation Agility Class, this will be held on the same day as each of the heats, after the show is closed. The Semi Final will be run over a standard set of Agility Equipment, but may also include a Wall, Tyre and Long Jump. Competitors will be notified during the day, after the qualifying heats have finished, who will be in the Semi-final. It is the competitors responsibility to check if they have made it through to the Semi-final and to book in to confirm that they will be running. Reserves will be taken if necessary.
- The winners and runners up of the semi -finals will receive a trophy and a rosette. Every Dog and Handler Partnership that runs in the Semi-final will receive an extra 2 points

The Grand-Final

- The points gained from the Agility, Jumping and Semi-final rounds from all the heats will be entered into a league table. The top 25 dogs from each category will be invited to the Grand –Final.
- In the event of a tie for the last place, the time/ faults will be taken into account for all qualifying rounds to determine the last qualifying place. The calculation to determine the last place is: Firstly, the dog with the least course faults in both agility and jumping rounds. If these are still equal the dog with the fastest combined time will qualify.
- The Grand – Final will be held at Agility Vision on the August Bank holiday weekend at Catton Park, DE12 8LN. This will be an Agility class and run over a standard set of Agility Equipment, but may also include a Wall, Tyre and Long Jump.
- Handlers will be notified that they have qualified for the final. It is the handlers responsibility to confirm that they will be attending the Grand-Final. Reserves will be called if necessary.
- Dogs and handlers qualify as a Partnership and will not be allowed to interchange. If for example a dog is handled by different handlers at different heats, they will gain points for that partnership separate from the previous handler. The Handler with the highest points for that dog, if placed in the top 25, will be the handler invited to compete in the Grand-Finals. The dog may only qualify once for the Grand-Final and can only take part in one of the finals. If a dog accumulates enough points to qualify for the C1-4 Final and the C5-7 final, the higher-grade final will take priority. A handler can qualify multiple dogs, but a dog can only qualify with one handler.
- **The winners of the Grand-finals in each height and grade category will receive a rosette, trophy and an Adams Agility Voucher to the value of £ 1,000.00**
- Good Luck to everyone taking part in this new and exciting event

(In the event of unforeseen circumstances or weather the show organisers reserve the right to postpone the Final)

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show and your dog is left in the vehicle regular checks must be undertaken to ensure the wellbeing of the dog(s).
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog always stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated and this could lead to dire results.

Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.
