### **A BRIEF SUMMARY OF NEW RULES FOR BRINGING PET DOGS FROM GB TO NI AND BACK**

From 1 January 2021 Great Britain (GB) has become a 'Part II Listed' Third Country for the purposes of pet travel and is therefore no longer a member of the EU Pet Travel Scheme. This means that dogs travelling from Great Britain to Northern Ireland will require preparation similar to visiting any country in the EU. Your dog will require a microchip, a valid rabies vaccine (at least 21 days before travel), worming treatment (done by a vet, between 24 hours and 5 days of travel) and, instead of a pet passport, an animal health certificate (within 10 days of travel).

So far, these requirements have not been enforced and on 1 June 2021 DAERA Minister, Edwin Poots MLA, announced a delay to the introduction of pet travel checks at NI points of entry until **at least** 1 October 2021. (See the Minister's full statement at [daera-ni.gov.uk/articles/travelling-pets](https://daera-ni.gov.uk/articles/travelling-pets).)

If travelling from NI to GB with your pet and not returning to NI, there are no documentary or health preparations. There is however a legal requirement that dogs are microchipped at 8 weeks old.

Any competitor from GB entering the Castlereagh and District DTC Championship Show 2/3 October 2021 is advised to enter but not pay the entry fees until the closing date for entries by which time hopefully the position will have become clearer.

### **ELIGIBILITY FOR CLASSES**

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Championship Agility, Premier Agility, Open Agility or Limited Agility Shows (i.e. special classes and invitational events excepted). Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping classes. All standard classes must contain the Weaving Poles obstacle. Standard Agility classes must contain the following elements: "A Ramp", Dog Walk and See-Saw. With this proviso classes are defined as follows: --

A maximum of four standard classes may be scheduled for any dog on an individual day of competition. In this Show each dog, other than Grade 7 dogs not entered in a championship class on the Saturday, will be eligible for three classes per day. There will be no special classes.

**Class Structure.** A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for a maximum of three consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

**Progression.** Progression from each Grade will be determined by the eligibility for the class as referenced in H(1)(A)11. Results from Combined Classes will only count towards progression from the dog's current grade. To count for progression wins must be gained in standard classes at Kennel Club Licensed Agility Shows. Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Competitors will be allowed to walk the course without their dog(s) before the class begins. **Competitors should follow any Covid compliant course walking instructions in place during the duration of the show.**

**Points Progression.** At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers). A minimum of 50 points must be gained in agility (not jumping) classes in the relevant grade. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.

## STANDARD CLASSES

Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1 the two wins and points progression referred to in the definition apply to only one dog and not an accumulation of dogs.

**Grade 1** Open to owners, handlers or dogs which have not gained a minimum of two first places at Grade 1 at Kennel Club Licensed Agility Shows, at least one of which must have been gained in an agility (not jumping) class. N.B Owners, handlers or dogs previously qualified out of Grade 1 are not eligible for this class.

**Grade 2** Open to dogs which are not eligible for Grade 1, or have elected to progress on points from Grade 1 and are not eligible for grades 3, 4, 5, 6, or 7.

**Grade 3** Open to dogs which have gained a minimum of two first places at Grade 2 at Kennel Club Licensed Agility Shows, one of which must have been gained in an agility (not jumping) classes, or have elected to progress on points from Grade 2 and are not eligible for Grades 2, 4, 5, 6 or 7.

**Grade 4** Open to dogs which have gained a minimum of three first places at Grade 3 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping) classes, or have elected to progress on points from Grade 3 and are not eligible for Grades 2, 3, 5, 6 or 7.

**Grade 5** Open to dogs which have gained a minimum of four first places at Grade 4 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 6 or 7.

**Grade 6** Open to dogs which have gained a minimum of four first places at Grade 5 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 5 or 7.

**Grade 7** Open to dogs which have gained a minimum of five first places at Grade 6 at Kennel Club Licensed Agility Shows, three of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 5 or 6.

**Championship Class** Open to dogs having qualified to compete in Grade 7 which have had five wins at Full Height in either Grade 6 or Grade 7, at least three of which must be gained in agility classes. To consist of 2 qualifying rounds of Standard Kennel Club Classes, 1 Agility Class and 1 Jumping Class and a final round of Agility to be held at the same Show.

By signing the entry form you confirm that to the best of your knowledge your dog is fit and able to take part in Agility classes on the day of the show.

21. In estimating the number of awards won, all wins after **7 September 2021** cannot be counted towards the eligibility of any dog for any class. For these purposes a competition shall be defined as all classes covered within the same schedule. In the event that a dog becomes eligible for the next grade at a particular show, after the entry for that show has been sent, it is the competitors' responsibility to notify the show secretary, or the show processor, at least 14 days before the date of the show (**18 September 2021**). 22. Should circumstances so dictate the Society, in consultation with the Judges may alter arrangements as necessary. Such changes and the circumstances surrounding them will be reported to the Kennel Club.

23. In the event that the show is cancelled due to unforeseen circumstances, the club/society will refund fees, less reasonably incurred expenses. If the show processor has the provisions to do so, competitors will be refunded in the manner in which they had entered the show, but in any event the society will refund fees within 3 months of the show date to all those who had entered and requested a refund within 1 month of the show date.

24. Except for mobility aids, nothing shall be carried in the hand while the dog is under test and food shall not be given to a dog whilst in the ring. Competitors are prohibited from wearing bags or leads whilst under test.

25. Should the judge deem a re-run is required, any result and/or faults gained in the previous run must be discounted.

26. Separate entry forms must be completed by each owner and must be signed by the owner or his authorised agent in accordance with the provisions specified thereon. Entry forms must be accompanied with the appropriate fees.

27. Passes are not required to gain entry to the show/showground.

28. Competition of Dogs Suffering from Contagious or Infectious Disease – No dogs suffering from infectious or contagious disease or having been exposed to such disease during the period of 21 days prior to the Competition may compete.

Competitors infringing the Regulation will be liable to be fined and/or dealt with under Kennel Club Rule A11.

29. It is the competitor's responsibility to be available for their class and running order. Competitors must run as close to their running order as possible. Failure to do so may be reported to the Kennel Club.

30. Animals in Event. No animal other than one officially entered shall be brought into the precincts of the event during its continuance, except any dogs registered to assist the disabled, or dogs required for educational or instructional purposes or by permission of the Board. However, at the discretion of the show society, a dog brought to the show by a spectator may be admitted into the precincts of the dog show, with the proviso that those in charge of the dog sign a declaration confirming the dog is free from disease and that the dog will be kept under proper control at all times.

#### DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events. • When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route and leave earlier to avoid increased time in traffic jams. • If your vehicle is not air conditioned seriously consider whether travelling to the show is a good idea at all. • The vehicle should be as fully ventilated as possible and plenty of stops should be taken, with lots of water available to drink. • Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog. • When at the show and your dog is left in the vehicle regular checks must be undertaken to ensure the wellbeing of the dog(s). • Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog always stays well hydrated. • Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.
