## RESERVE JUDGES

Jackie Allbut, Jess Cuthbertson, Maria Daley, Alan Flynn, Tom Flynn, Tracey Toms, Nicole Turner, Aileen Watson.

Please note: the judges named against all classes are provisional and may be altered once numbers of entries are confirmed. Confirmation of judges will be on the ring plan which will be sent out with running orders.

## ELIGIBILITY FOR CLASSES

In the following definitions of classes, First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Championship Agility, Premier Agility, Open Agility or Limited Agility Shows (i.e. special classes and invitational events excepted). Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Standard classes may be scheduled for Agility Shows as Agility classes or Jumping classes. All standard classes must contain the Weaving Poles obstacle. Standard Agility classes must contain the following elements: 'A Ramp', Dog Walk and See-Saw. With this proviso, classes are defined as follows: -

A maximum of four standard classes may be scheduled for any dog on an individual day of competition. Any number of special classes may be scheduled.

**Class Structure.** A class may be either held as a Graded Class or a Combined Class. A Graded Class may be scheduled for a maximum of three consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

**Progression.** Progression from each Grade will be determined by the eligibility for the class as referenced in H(1)(A)11. Results from Combined Classes will only count towards progression from the dog's current grade. To count for progression wins must be gained in standard classes at Kennel Club Licensed Agility Shows. Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

**Lower Height Option.** Societies may offer the Lower Height Option to all dogs in that height category and may be offered at all grades. It is to be run as part of any Standard class as defined in the regulations and must be clearly identified in the schedule. Each relevant class will have two heights with a change part way through to raise/lower the jump heights and may extend/reduce the length of the long jump and width of the rising spread, within the permitted ranges, and competitors must run at their entered height. The order in which the heights will run must be detailed on the ring cards/ring plan. There will be only one course walking at the start of the class. In a class where the Lower Height Option is available show organisers may offer one set of awards by combining the results of each height or may offer separate awards for each height category.

Competitors will be allowed to walk the course set at Small, Medium or Large height without their dog(s) before the class begins. Hurdles may be raised/lowered during the course walking time if multiple heights are offered within the same class.

When the Lower Height Option is scheduled a dog may only be entered at either the Full Height or at the Lower Height and it cannot compete at a different height in any other class at that competition, including special classes. For these purposes a competition shall be defined as all classes covered within the same schedule.

**Points Progression.** At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers). A minimum of 50 points must be gained in agility (not jumping) classes in the relevant grade. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

Progression on points must be done prior to the closing date of entries. It is not possible to change a grade once the entries have closed.

## STANDARD CLASSES

Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the two wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

# The Kennel Club Olympia Large Dog Novice Agility Stakes 2019

Supported by Skinner's

This competition will be classified as combined Grades 3, 4 and 5 and judged under the Kennel Club Regulations for standard classes.

Dogs should be eligible to enter a Grade 3, 4 or 5 class at the time of qualifying for the Quarter-Final. Any subsequent wins gained by the dog will not alter its eligibility to compete in the Quarter-Final, Semi-Final or Final.

Competitors may enter more than one dog in a heat. Competitors may qualify more than one dog for the Quarter-Finals and also the Semi-Final at Olympia, however only the competitor's highest placed dog at the Semi-Final will qualify for the Olympia Grand Final.

Once a dog has qualified for the Quarter-Final, further heats may be entered for competition although any placings in these further heats will not affect the dog's eligibility for the Quarter-Final/Semi-Final.

The first five previously unqualified placed dogs from each heat will go forward to the Quarter-Finals at the Kennel Club International Agility Festival held annually in August, if the heat is split then three dogs will be taken from each part. The first twenty dogs from this Quarter-Final will qualify for the Semi-Final at the London Olympia Christmas International Horse Show.

The 20 dogs who qualify for Olympia will compete in a Semi-Final at Olympia. The top ten highest placed dogs in the Semi-Final will qualify for the evening Grand Final at Olympia (subject to the above).

Those dogs eligible to compete in Novice Large Dog Agility competitions are those measuring over 430 mm at the withers.

## Discover Dogs Small / Mixi Pairs Challenge (Special) 2019

This is a competition consisting of eight heats of jumping. The competition is open to small dogs, partnering either a medium dog or a large dog, and heats will be scheduled as a Special combined class for grades 1 to 7.

### Eligibility

The competition is open to two dogs with separate handlers. One dog must be a small dog, 35cm or under at the withers, the partner can be either a medium dog, over 35cm but 43cm or under at the withers, or a large dog, over 43cm in height.

Handlers with more than one dog may enter in more than one pair. However, they may only qualify a maximum of two dogs for the final. No surrogate handlers will be allowed in the final.

Should a qualified dog or handler within a pair be unable/unfit to enter the final, that pair will not be able to compete. Their place in the final will be offered to the next available pair with the highest points who have not qualified.

### Competition Rules

The competition will be held under Kennel Club rules and regulations for Agility and any handler entering the competition will be deemed to have agreed to abide by these rules and regulations. Standard rules will apply and all equipment used shall be of a standard size set at the maximum height for each category.

This is a relay competition with a baton change taking place either in a box or behind a line at the judges' discretion.

No part of the next dog/handler must be over the start line at the change over; failure to observe this will incur a penalty of twenty faults.

An elimination will incur a penalty of 100 faults, should a dropped baton will incur a penalty of 20 faults. Once a dog has been eliminated it cannot incur further faults. However, if either member of the pair fail to complete the course or either of the dogs foul the ring the pair will be disqualified.

The competition will involve a change of height of the obstacles being jumped by the medium/large dogs at one stage during the class. The judge will decide which height of dog to start with and will announce the change of height when relevant. It is the competitors' responsibility to be available accordingly. The course will be walked by everyone before the beginning of the class.

The final will consist of two rounds of jumping competition. The winners of the Discover Dogs Small / Mixi Pairs will be the pair with the least combined faults in the fastest combined time calculated over the two rounds of the final. Discover Dogs will be held at Excel, London in 2019. Car parking will not be provided by the Kennel Club.

### Qualifying

Points will be awarded to the specific pair (consisting of two handlers with their dogs) which competes at the heat. Points are not transferable between different pair combinations.

Pairs will score 15 points for 1<sup>st</sup> place down to 1 point for 15<sup>th</sup> place. Points will be accumulated over all eight heats and the 15 pairs with the most points will go through to the final at Discover Dogs 2019.

## DIRECTIONS TO

### FROM DERBY

If you are approaching from Derby on the A52 (Brian Clough Way), we recommend leaving the A52 at the A6005 exit towards Borrowash. Then at the roundabout, take the 3<sup>rd</sup> exit back on to the A52 towards Nottingham but stay on the slip road exiting the A52 again at the Spondon\Ilkeston A6096 exit immediately before Spondon Methodist Church. This is easier, if you are towing, than taking the exit directly off the A52.

As the road bears to the right turn left onto Church Street, sign posted Heanor\Morley and also marked by a brown road sign for Bluebells Ice Cream Farm.

Continue up Church Street, past St Werburghs School on the right-hand side and the road changes to be Locko Road. Continue up Locko Road until you go past the Cricket club on right-hand side and out on to a country lane.

Go past 'Bluebells Ice Cream Farm' and then the entrance to Locko Park is situated to the right as the road bends round to the left. Look out for Agility signs at the roadside.

### FROM NOTTINGHAM \ M1 SOUTHBOUND

If you are approaching from Nottingham\M1 J25 leave the A52 at Spondon exit (signposted Spondon\Chaddesden) by Asda, go around the roundabout and head back towards Nottingham (A52) but stay on the slip road and follow the directions as above.

### FROM M1 NORTHBOUND

If you are approaching from M1 J24 then take the A50 towards Derby\Uttoxeter\Stoke. Leave the A50 at Junction 2 and take the A6 towards Derby up Raynesway (50mph speed limit), which is the second exit off the roundabout. At the end of Raynesway get in to the outside lane and at the roundabout take the 3<sup>rd</sup> exit, past Asda on your right. At the next roundabout take the exit for Nottingham (A52) but stay on the slip road and follow the directions as above.

### SAT NAV

Do not use the postcode DE21 7BW for Sat Navs. Use 'Locko Road, Spondon' or DE21 7AR (for Bluebells Ice Cream Farm) instead.

### AND FINALLY

We have a lovely new venue. Please help us keep it that way so that we can return in future years. Please keep Locko Park clean, remember to clear up after your dog and use the bins provided. We will have separate bins for dog waste and normal waste. Please make sure you use the correct bins.
