## **International Agility Festival Team Agility Competition (Special) 2023**

All events must be judged under the appropriate Kennel Club regulations H & H (1) in force at the time of the event. Competitors entering any competition will be deemed to have agreed to abide by these regulations. These competitions will be scheduled as a Special combined class for grades 1 to 7 with a separate qualifying competition for each height category.

There will be up to 8 separate heats for large, intermediate, medium and small height dogs at Kennel Club licensed shows throughout the country.

### **Eligibility**

This event is open to teams from Kennel Club Registered and Listed Status clubs which, at the time of entry to the qualifying heat, have indicated in their Kennel Club registration details that they have an interest in agility or are an Agility Listed Status Club. Each team entry will consist of 4 dogs from the same height category, with 4 different handlers, plus up to 2 reserves. Only dogs entered in the team or as reserves at the qualifying event will be permitted to compete for that team in the final should a change of dog be necessary. Only handlers that competed at the qualifying event or those listed as reserves will be permitted to compete for that team in the final should a handler be unable to compete. All team members must be members of the club at the time of qualifying for the International Agility Festival Team Final. Dogs do not have to be entered into any other class at a qualifying heat and a team entry will constitute acceptance of the Organising Club and Kennel Club Rules and Regulations.

Clubs may only qualify one team in each height category for the final at the International Agility Festival. Once a handler or dog has run for a Kennel Club Registered / Listed Status Club in the International Agility Festival Team Agility qualifying event they cannot run for another Kennel Club Registered / Listed Status Club in a qualifying event at the same height category during the qualifying year. (Handlers or dogs entered as reserves may run or be entered as reserves for a different team, provided they did not run in the original team's heat).

### **Competition Rules**

The competition will be held under Kennel Club rules and regulations for Agility and any handler entering the competition will be deemed to abide by these rules and regulations. Jumps will be set at the standard height for each height of dog.

It is a team relay event and a suitable baton should be used which must remain behind the start line at all times. When the dog/handler returns to the start/finish, there will be a baton change between the handlers. No part of the next dog/handler must be over the start line at the changeover; failure to observe this will incur a penalty of twenty faults.

An elimination will incur a penalty of one hundred faults, a dropped baton will incur a penalty of 20 faults.

The total time of the team of four dogs must be recorded for marking purposes irrespective of the number of faults or eliminations that a team incur.

If any of the team members fail to complete the course or any of the team dogs fouls the ring the whole team will be disqualified.

Please note that some areas of marking for the International Agility Festival Team event differ from standard marking due to the fact that it is a relay class with cumulative marking and time.

### **Qualifying**

The winners of each heat will be invited to the International Agility Festival final 2023 to compete in the small, medium, intermediate or large height finals. In the event that the winning team or club in a heat has already qualified for the final then the highest placed unqualified team in that heat will be invited to the final at the International Agility Festival.

If a team does not take up the invitation to compete in the final the invitation will be rolled down to the next applicable team from the relevant heat.

## **SPECIAL ANY SIZE CLASSES (Classes 27 & 28)**

Open to dogs 18 months of age or older and not entered in any class other than Any Size on any day of the show. The course will be a flowing Jumping course without weaves, tyre or long jump. Jumps for Any Size dogs will be set at 2 heights: 300mm and up to 200mm. Handlers may choose which height their dog runs at, at the show. There will be one set of results for each height.

## **ELIGIBILITY FOR CLASSES**

In the following definitions of classes, 1st prizes or other prize wins are those gained in standard classes at any Kennel Club licensed championship agility, premier agility, open agility or limited agility shows (ie special classes and invitational events excepted). Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Standard classes may be scheduled for agility shows, as agility classes or jumping classes. All standard classes must contain the weaving poles obstacle. Standard Agility classes must contain the following elements: 'A' Ramp, dog walk and see-saw. With this proviso classes are defined as follows:-

A maximum of four standard classes may be scheduled for any dog on an individual day of competition. Any number of special classes may be scheduled.

### **Class Structure**

A class may be either held as a graded class or a combined class. A graded class may be scheduled for a maximum of three consecutive grades with separate results and awards for each grade. A combined class may be scheduled for more than one consecutive grade with one overall set of results.

### **Progression**

Progression from each grade will be determined by the eligibility for the class as referenced in H(1)(A)11. Results from Combined Classes will only count towards progression from the dog's current grade.

To count for progression wins must be gained in standard classes at Kennel Club Licensed Agility Shows.

Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Competitors will be allowed to walk the course set at Small, Medium, Intermediate or Large height without their dog(s) before the class begins. The jumps will be set at the height of the next class to run. All handlers will walk the course at the same height.

### **Points Progression**

At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each Grade, using the Agility Warrant points scheme, (Regulation K3.c refers). A minimum of 50 points must be gained in agility (not jumping) classes in the relevant grade. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression; however, once a dog has progressed it cannot return to a previous grade.

Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.

## **STANDARD CLASSES**

Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the two wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

### **Grade 1**

Open to owners, handlers or dogs which have not gained a minimum of two first places at grade 1 at Kennel Club licensed agility shows, at least one of which must have been gained in an agility (not jumping) class. N.B Owners, handlers or dogs previously qualified out of grade 1 are not eligible for this class.

### **Grade 2**

Open to dogs which are not eligible for grade 1 or have elected to progress on points from Grade 1 and are not eligible for grades 3, 4, 5, 6, or 7.

### **Grade 3**

Open to dogs which have gained a minimum of two first places at grade 2 at Kennel Club licensed agility shows, one of which must have been gained in an agility (not jumping) class, or have elected to progress on points from grade 2 and are not eligible for grades 2, 4, 5, 6 or 7.

### **Grade 4**

Open to dogs which have gained a minimum of three first places at grade 3 at Kennel Club licensed agility shows, two of which must have been gained in agility (not jumping classes), or have elected to progress on points from grade 3 and are not eligible for grades 2, 3, 5, 6 or 7.

### **Grade 5**

Open to dogs which have gained a minimum of four first places at grade 4 at Kennel Club licensed agility shows, two of which must have been gained in agility (not jumping) classes, and are not eligible for grades 2, 3, 4, 6 or 7.

## **Grade 6**

Open to dogs which have gained a minimum of four first places at grade 5 at Kennel Club licensed agility shows, two of which must have been gained in agility (not jumping) classes, and are not eligible for grades 2, 3, 4, 5 or 7.

## **Grade 7**

Open to dogs which have gained a minimum of five first places at grade 6 at Kennel Club licensed agility shows, three of which must have been gained in agility (not jumping) classes, and are not eligible for grades 2, 3, 4, 5 or 6.

## **SPECIAL CLASSES**

Societies may schedule classes other than those defined above as "Special classes". The eligibility for "Special" classes must be defined by the Society and included in the schedule. The word "Special" must be included in the title of the class. Where special classes are classified for older and/or inexperienced dogs, the height of the hurdles, the A-ramp, and the dog walk, and the length of the long jump, may be reduced below the dimensions specified in these regulations, in which case such dimensions must be included in the class definition in the show schedule.

Marking for special classes may deviate from marking for standard classes, but must be specified in the schedule. Wins, places and clear rounds in special classes will not count towards agility warrant points or grade progression at Kennel Club shows.

20. Removal of dogs from Competition:

Following discussion between the show management and/or a veterinary surgeon, a dog shall be prevented from competing and/or removed from the Show if it is:

- b. suffering from any infectious or contagious diseases
- c. interfering with the safety or chance of winning of an opponent

- e. likely to cause suffering to the dog if it continues competing.

The circumstances of such a removal shall be recorded in the competition/show Incident Book and submitted to the Kennel Club.

21. Dog Agility is a competitive and physically strenuous activity. It is the responsibility of the owner/handler to ensure their dog is 'fit for function' and that they themselves are fit to take part. By signing the entry form you confirm that to the best of your knowledge your dog is fit and able to take part in Agility classes on the day of the show.

22. In estimating the number of awards won, all wins up to and including 25 days before the start of the competition shall be counted when entering any class, ie, 18<sup>th</sup> April 2023. For these purposes a competition shall be defined as all classes covered within the same schedule. In the event that a dog becomes eligible for the next grade at a particular show, after the entry for that show has been sent, it is the competitor's responsibility to notify the show secretary at least 14 days before the date of the show. The dog will then be moved into the appropriate class(es) for the next grade. The dog must be moved into the corresponding number of classes as were entered at the lower grade. If there are fewer or no classes available for the next grade the competitor should be offered a refund of the relevant entry fees.

23. Should circumstances dictate, the Club, in consultation with the judges, may alter the arrangements as necessary. Such changes and the circumstances surrounding them will be reported to the Kennel Club.

24. In the event that the show is cancelled due to unforeseen circumstances, the society will refund fees, less reasonably incurred expenses. If the show processor has the provisions to do so, competitors will be refunded in the manner in which they had entered the show, but in any event the society will refund fees within 3 months of the show date to all those who had entered and requested a refund within 1 month of the show date.

25. Except for mobility aids, nothing shall be carried in the hand while the dog is under test and food shall not be given to a dog whilst in the ring. Competitors are prohibited from wearing bags or leads whilst under test.

26. Should the judge deem a re-run is required, any result and/or faults gained in the previous run must be discounted.

27. Separate entry forms must be completed by each owner and must be signed by the owner or his authorised agent in accordance with the provisions specified thereon. Entry forms must be accompanied with the appropriate fees.

28. Competition of Dogs Suffering from Contagious or Infectious Disease – No dogs suffering from infectious or contagious disease or having been exposed to such disease during the period of 21 days prior to the Competition may compete. Competitors infringing the Regulation will be liable to be fined and /or dealt with under Kennel Club Rule A11.

30. Animals in Event

No animal, other than those officially entered, shall be brought into the precincts of the event during its continuance, except dogs registered to assist the disabled, or dogs required for educational or instructional purposes or by permission of the Board.

However, at the discretion of the show society, a dog brought to the show by a spectator may be admitted into the precincts of the dog show, with the proviso that those in charge of the dog sign a declaration confirming the dog is free from disease and that the dog will be kept under proper control at all times.

31. A pay on the day class will be held if time permits. A practice ring may be available to dogs entered for competition at the show, if space allows.

32. This ring must be supervised by a responsible adult with agility knowledge.

### 33. Welfare of Dogs

A competitor whose dog is entered at a Kennel Club Licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not knowingly put their dogs' health and welfare at risk by any action, default, omission or otherwise. A breach of this Regulation may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any Agility show licensed by the Kennel Club. This shall apply at the venue and within the precincts of the show.

34. The show organisers or their authorised agents may make results from this show publicly available and share results with third parties for the same purpose.

*34. Handlers must drop leads, toys, jackets etc into the bucket at the start line. You will not be allowed to start your run if any items are left on the ground.*

*35. The lead runner will carry the bucket to the finishing line. Please ensure you remove all your items from it. Any items left behind may be taken away and periodically delivered to the Secretary's tent for collection.*
