ELIGIBILITY FOR CLASSES

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Championship Agility, Premier Agility, Open Agility or Limited Agility Shows (i.e. special classes and invitational events excepted). Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping classes. All standard classes must contain the Weaving Poles obstacle. Standard Agility classes must contain the following elements: "A Ramp", Dog Walk and See-Saw. With this proviso classes are defined as follows:-

A maximum of four standard classes may be scheduled for any dog on an individual day of competition. Any number of special classes may be scheduled.

Class Structure. A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for a maximum of three consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

Progression. Progression from each Grade will be determined by the eligibility for the class as referenced in H(1)(A)11. Results from Combined Classes will only count towards progression from the dog's current grade.

To count for progression wins must be gained in standard classes at Kennel Club Licensed Agility Shows.

Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Competitors will be allowed to walk the course set at small, medium, intermediate or large height without their dog(s) before the class begins.

Points Progression. At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers). A minimum of 50 points must be gained in agility (not jumping) classes in the relevant grade. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.

STANDARD CLASSES

Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the two wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

Grade 1
Open to owners, handlers or dogs which have not gained a minimum of two first places at Grade 1 at Kennel Club Licensed Agility Shows, at least one of which must have been gained in an agility (not jumping) class. N.B Owners, handlers or dogs previously qualified out of Grade 1 are not eligible for this class.

Grade 2
Open to dogs which are not eligible for Grade 1 or have elected to progress on points from Grade 1 and are not eligible for Grades 3, 4, 5, 6, or 7.

Grade 3

Grade 4
Open to dogs which have gained a minimum of three first places at Grade 3 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping classes), or have elected to progress on points from Grade 3 and are not eligible for Grades 2, 3, 5, 6 or 7

Grade 6

Open to dogs which have gained a minimum of five first places at Grade 6 at Kennel Club Licensed Agility Shows, three of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 5 or 6.

SPECIAL CLASSES

Societies may schedule classes other than those defined above as "Special Classes". The eligibility for "Special" classes must be defined by the Society and included in the schedule. The word "Special" must be included in the title of the class. Where special classes are classified for older and/or inexperienced dogs, the height of the hurdles, the A-ramp, and the dog walk, and the length of the long jump, may be reduced below the dimensions specified in these regulations, in which case such dimensions must be included in the class definition in the show schedule.

Marking for special classes may deviate from marking for standard classes, but must be specified in the schedule. Wins, places and clear rounds in special classes will not count towards agility warrant points or grade progression at Kennel Club shows.

39. Refunds will not be given after the closing date unless the show is cancelled.

NOTE: Children under the age of 11 are the responsibility of a Parent or Guardian and must be supervised at all times including when competing.

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- At the show, your dog is vulnerable and at risk if left in a vehicle in high temperatures.
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. Warning: if your dog is found to be at risk, forcible entry to your vehicle may be necessary without liability for any damage caused. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

Right to Refuse Entries: Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

What 3 Words: <https://what3words.com/silence.limits.curious>

From the South / West / North:

Make your way to Junction 8 of the M11 for Bishops Stortford & Stansted Airport. If travelling North on the M11 towards this Junction leave the Motorway via the first exit slip road.

From the roundabout (Start Hill) above the Motorway take the eastbound B1256 Dunmow Road towards Takeley. Please keep to the speed limit along this road and do not get caught by any of the speed cameras. After approximately 1 mile go straight across the traffic lights.

After approximately another 2 miles you will find yourself in the village of Takeley. At the traffic lights / cross roads in the middle of Takeley next to the Four Ashes Pub (on your left-hand side) turn right onto the B183 signposted towards Hatfield Heath, and Hatfield Broad Oak. Then follow the directions below *

From the East:

Drive west along the A120 from Colchester / Braintree / Dunmow towards Stansted Airport, Bishops Stortford and the M11. **Please note that your Satellite Navigation systems will probably take you off the A120 at the Dunmow South Junction and bring you in via the B184. The lane between the B184 and the venue is narrow and has few passing places and is therefore unsuitable for caravans / campervans.** All such vehicles should stay on the A120, go past the turn for the A130 / B1008 / B184 Dunmow South and Barnston, and leave the A120 at the next exit just after the "Rest Area" and take the B1256 towards Takeley.

Enter Little Canfield, go past the Lion & Lamb pub on your right, then go straight across 2 x mini-roundabouts. Enter Takeley and at the traffic lights / cross roads next to the Four Ashes Pub (on your right-hand side) turn left onto the B183 signposted towards Hatfield Heath, and Hatfield Broad Oak. Then follow the directions below *

* From the Four Ashes Pub / Traffic Lights in Takeley:

Drive south along the B183 Station Road towards Hatfield Heath and Hatfield Broad Oak. Go over the old slightly humped backed (disused) railway bridge, and past Takeley Sports Ground on your left-hand side.

After approximately 1 mile turn left onto an unnamed road and go past "Hartwood" on your left. Take the next 1st left turn heading towards Great Canfield and High Roding.

Keep going along this road for approximately 2 miles, towards Great Canfield along Green Street. Go through Hellman's Cross and then past Cuckoo Lane on your left, the Cricket Club on your right, Fitzjohns Lane on your right and Griffin / Grange Farm on your left. The road bears round to the left and the entrance to Ashfields is through the white gates on your left-hand side. Please keep to the 5mph speed limit along the drive and follow the signs / marshal's directions to the camping and / or parking areas.
