Please note: The judges named against classes are provisional and may have to be changed once the final entry numbers have been confirmed. The confirmation of judges and classes will be on the ring plan which will be sent out with the running orders. Further judges may be appointed if necessary. Longfield Agility reserve the right to change the scheduled judges for each of the classes.

ELIGIBILITY FOR CLASSES

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Championship Agility, Premier Agility, Open Agility or Limited Agility Shows (i.e. special classes and invitational events excepted). Only a first place with a clear round completed within course time set by the judge will count towards grade progression.

Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping classes. All standard classes must contain the Weaving Poles obstacle. Standard Agility classes must contain the following elements: "A Ramp", Dog Walk and See-Saw. With this proviso classes are defined as follows: -

A maximum of four standard classes may be scheduled for any dog on an individual day of competition. Any number of special classes may be scheduled.

Class Structure

A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for a maximum of three consecutive Grades with separate results and awards issued for each Grade. A Combined Class may be scheduled for more than one consecutive Grade with one overall set of results.

Progression

Progression from each Grade will be determined by the eligibility for the class as referenced in H(1)(A)11. Results from Combined Classes will only count towards progression from the dog's current grade. To count for progression wins must be gained in standard classes at Kennel Club Licensed Agility Shows. Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Lower Height Option. Societies may offer the Lower Height Option to all dogs in that height category and may be offered at all grades. It is to be run as part of any Standard class as defined in the regulations and must be clearly identified in the schedule. Each relevant class will have two heights with a change part way through to raise/lower the jump heights and may extend/reduce the length of the long jump and width of the rising spread, within the permitted ranges, and competitors must run at their entered height. The order in which the heights will run must be detailed on the ring cards/ring plan. There will be only one course walking at the start of the class. In a class where the Lower Height Option is available show organisers may offer one set of awards by combining the results of each height or may offer separate awards for each height category.

Competitors will be allowed to walk the course set at Small, Medium or Large height without their dog(s) before the class begins. Hurdles may be raised/lowered during the course walking time if multiple heights are offered within the same class.

When the Lower Height Option is scheduled a dog may only be entered at either the Full Height or the Lower Height and it cannot compete at a different height in any other class at that competition, including special classes. For these purposes a competition shall be defined as all classes covered within the same schedule.

Points Progression

At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each Grade, using the Agility Warrant points scheme, Regulation K3.c refers. A minimum of 50 points must be gained in agility (not jumping) classes in the relevant grade. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression; however, once a dog has progressed it cannot return to a previous grade. Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.

Standard Classes

Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1 the two wins and points progression referred to in the definition apply to only one dog and not an accumulation of dogs.

Grade 1

Open to owners, handlers or dogs which have not gained a minimum of two first places at Grade 1 at Kennel Club Licensed Agility Shows, at least one of which must have been gained in an agility (not jumping) class. N.B Owners, handlers or dogs previously qualified out of Grade 1 are not eligible for this class.

Grade 2

Open to dogs which are not eligible for Grades 1, or have elected to progress on points from grade 1 and are not eligible for grades 3, 4, 5, 6, or 7.

Grade 3

Open to dogs which have gained a minimum of two first places at Grade 2 at Kennel Club Licensed Agility Shows, one of which must have been gained in an agility (not jumping) classes, or have elected to progress on points from Grade 2 and are not eligible for Grades 2, 4, 5, 6 or 7.

Grade 4

Open to dogs which have gained a minimum of three first places at Grade 3 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping) classes), or have elected to progress on points from Grade 3 and are not eligible for Grades 2, 3, 5, 6 or 7.

Grade 5

Open to dogs which have gained a minimum of four first places at Grade 4 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 6 or 7.

Grade 6

Open to dogs which have gained a minimum of four first places at Grade 5 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 5 or 7.

Grade 7

Open to dogs which have gained a minimum of five first places at Grade 6 at Kennel Club Licensed Agility Shows, three of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 5 or 6.

Special Classes

Societies may schedule classes other than those defined above as "Special Classes". The eligibility for "Special" Classes must be defined by the Society and included in the schedule. The word "Special" must be included in the title of the class. Where classes are classified for older and/or inexperienced dogs, the height of the hurdles, the A-Ramp and the dog walk, and the length of the long jump, may be reduced below the dimensions specified in these regulations, in which case such dimensions must be included in the class definition in the show schedule.

Marking for special classes may deviate from marking for standard classes, but must be specified in the schedule. Wins, places and clear rounds in special classes will not count towards agility warrant points or grade progression at Kennel Club Shows.

The exercise area will be clearly marked, please do not allow your dog off lead anywhere other than the designated exercise area. Only 3 dogs off lead and UNDER CONTROL at any time per person.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog always stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

Cancellation Policy due to Inclement Weather

The British weather has been kinder to dog lovers this year with fewer shows needing to be cancelled or postponed due to inclement weather. No event may be postponed should the original event not be able to be held due to unforeseen circumstances; the event must be cancelled. If the society wishes to reschedule the show/trial this may be done by applying for a new licence, issuing a new schedule etc, and entries from the original date may not be carried forward.

It is hoped that this will safeguard competitors as they will not be in a position of losing entry fees if a show/trial was to be postponed to a date on which they were unable to attend.

Longfield Agility have the following cancellation policy:

1. In the event that the show is cancelled due to unforeseen circumstances, the society will refund fees, less reasonably incurred expenses. If the show processor has the provisions to do so, competitors will be refunded in the manner in which they entered the show, but in any event the society will refund fees within 3 months of the show date to all those who had entered and requested a refund within 1 month of the show date. (By 14th September 2019)
2. In calculating this all reasonable costs will be taken into account.

Longfield Agility Grampionship Class/CLS Massage Grampions League Final

This fun event will be open to handlers aged 50 or more on the day of competition.

It is a special class combining grades 1 to 7 and will combine results from all heights.

There will be a Gramp agility round and a Gramp jumping round with points being awarded from 20 for first place down to 1 in each of the rounds.

There will be no points awarded for elimination but this will not stop you from qualifying for the final if you have enough points.

Each round will have rosettes to 15% as normal with a special trophy being awarded to the winner.

The top twenty handlers will then go forward to compete in the Grampionship Final which will be winner takes all with a rosette and special trophy.

Points earned in each round will be entered into the CLS Massage Grampions League, with the top 30 dogs from this being invited to compete in the CLS Grampions League Final on Saturday 22nd August 2020 at the Longfield August Show.

You do not have to be entered in the show to compete in the final.

If there are any gaps in the final placings due to non-attendance they will be offered to those placed lower down the league.

Longfield Agility Novice

The Longfield Agility Novice Qualifier is a competition for Large dogs, eligible for grades 3, 4 & 5. There will be approximately ten qualifying heats.

The Longfield Agility Novice Final will be held at the Longfield Agility August show on the 29th August 2020, at Hillside Rural Activities Park, Oaktree Bank, Knayton, Thirsk, YO7 4AX..

The winner of the final will receive £100 in cash and a £150 voucher towards equipment from Longfield Agility Solutions.

This class must be judged under the appropriate Kennel Club Rules in force at the time of the competition for a standard open class.

If the entry for a heat exceeds the KC limit for a class in a day, then the class will be equally and randomly split in accordance with current Kennel Club regulations. All competitors entering the class will be deemed to have agreed to abide by the rules of the Kennel Club and the specific regulations governing this class.

The competition is open to Kennel Club registered dogs eligible to compete at Large Height in grades 3, 4 & 5 and competing at 650mm jump height.

Where the qualifier is held at a show where the full height and LHO results are combined, only the top 5 dogs running at 650mm jump height will be awarded the invitations to compete in the final.

Handlers may enter more than one dog in the competition and may qualify more than one dog for the final.

The first five full height dogs (650mm jump height) from the heat will be invited to compete in the final. The next five dogs will be held as reserves. If the class is split the top three dogs from each part will be invited to compete in the final. The next top three in each part to be held as reserves.

Once a dog has qualified for the final it may enter further heats. Handlers who have already qualified their dog for the final should report this fact to the appropriate Show Secretary before running in the class. If the already qualified dog then qualifies again, that place will be awarded to the highest placed unqualified dog running at full height.

In the event of a dog being unable to compete in the final due to unavailability, illness or injury, the reserves from that heat will be invited in numerical order.

In the event of a handler being unable to compete in a final due to illness or injury, a substitute handler for the qualifying dog will be allowed to run the dog.

Trophies will be awarded to third place and rosettes to 15th place in these qualifiers, with the results being combined between heights.
