ENTERED AGILITY DOG HANDLER GETS FREE ENTRY TO PAWS IN THE PARK EVENT

This wording has caused some confusion over past years but it is the main MDS event organisers intention that those people handling an agility dog in the show or registered as a joint owner will be given a free pass to the event. Therefore, individual competitors with a running order which details them as handler/owner will be permitted into the Paws in the Park event at no additional charge. This offer is not intended however for people to list a person as a handler and then change it on the day just to get an entrance pass! Any additional family members, friends etc in a vehicle will be charged at the full price on day of arrival UNLESS they have purchased a pre booked ticket with their agility entries at a REDUCED PRICE as detailed below: Please note if you are an owner in joint names you will need to ensure you detail that to get an additional entrance ticket and ownership records may be checked with the KC.

Adult: Agility offer price with entries of £10 per ticket (gate price £13)
Child/OAP: Agility offer price with entries of £7 per ticket (gate price £10)

Please note that only 1 free pass will be sent per competing handler/joint owner in line with the above, unless otherwise agreed and arranged with the show organiser.

Please note the price of posting has been increased to cover first class postage of R/O's due to the required sending out of entrance tickets to get to competitors asap.

Official KC Measuring

All dogs must be officially measured before competing at a licensed KC show . We shall have the availability for dogs to be measured at our show. Please contact Linda on info@petlodge.co.uk if you will need a dog measured so your name can be added to the list.

Campers Evening Entertainment

On Friday and Saturday evenings there is normally some evening entertainment laid on by the main show event organisers. Entry is FREE to all Campers and Traders staying on site where there will be a selection of hot food stalls available and a bar. **However, please note this is subject to change depending on Covid regulations at the time of the show.**

SPECIAL CLASSES

Steeplechase

SAT Classes are: 10/11, 21/22, 32/33, & 43/44

SUN classes are: 54/55, 65/66, 76/77 & 87/88

These are all special classes and therefore will not count towards grade progression. They will judged under standard KC Marking regulations but this class will NOT consist of any weaves. All other standing jumping class equipment is possible and will be for the judges to decide what their courses will comprise of.

ELIGIBILITY FOR CLASSES

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Championship Agility, Premier Agility, Open Agility or Limited Agility Shows (i.e. special classes and invitational events excepted). Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping classes. All standard classes must contain the Weaving Poles obstacle. Standard Agility classes must contain the following elements: "A Ramp", Dog Walk and See-Saw. With this proviso classes are defined as follows:-

A maximum of four standard classes may be scheduled for any dog on an individual day of competition. Any number of special classes may be scheduled.

Class Structure. A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for a maximum of three consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

Progression. Progression from each grade will be determined by the eligibility for the class as referenced in H(1)(A)11. Results from combined classes will only count towards progression from the dog's current grade.

To count for progression wins must be gained in standard classes at Kennel Club licensed agility shows.

Only a 1st place with a clear round completed within the course time set by the judge will count towards grade progression

Competitors will be allowed to walk the course set at small, medium, intermediate or large height without their dog(s) before the class begins.

Points Progression. At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers). A minimum of 50 points must be gained in agility (not jumping) classes in the relevant grade. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.

STANDARD CLASSES

Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the two wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

Grade 1

Open to owners, handlers or dogs which have not gained a minimum of two first places at Grade 1 at Kennel Club Licensed Agility Shows, at least one of which must have been gained in an agility (not jumping) class. N.B Owners, handlers or dogs previously qualified out of Grade 1 are not eligible for this class.

Grade 2

Open to dogs which are not eligible for Grade 1 or have elected to progress on points from Grade 1 and are not eligible for Grades 3, 4, 5, 6, or 7.

Grade 3

Open to dogs which have gained a minimum of two first places at Grade 2 at Kennel Club Licensed Agility Shows, one of which must have been gained in an agility (not jumping) class, or have elected to progress on points from Grade 2 and are not eligible for Grades 2, 4, 5, 6 or 7.

Grade 4

Open to dogs which have gained a minimum of three first places at Grade 3 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping classes), or have elected to progress on points from Grade 3 and are not eligible for Grades 2, 3, 5, 6 or 7

Grade 5

Open to dogs which have gained a minimum of four first places at Grade 4 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 6 or 7

Grade 6

Open to dogs which have gained a minimum of four first places at Grade 5 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 5 or 7.

Grade 7

Open to dogs which have gained a minimum of five first places at Grade 6 at Kennel Club Licensed Agility Shows, three of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 5 or 6.

SPECIAL CLASSES

Societies may schedule classes other than those defined above as "Special classes". The eligibility for "Special" classes must be defined by the Society and included in the schedule. The word "Special" must be included in the title of the class. Where special classes are classified for older and/or inexperienced dogs, the height of the hurdles, the A-ramp, and the dog walk, and the length of the long jump, may be reduced below the dimensions specified in these regulations, in which case such dimensions must be included in the class definition in the show schedule.

Marking for special classes may deviate from marking for standard classes, but must be specified in the schedule. Wins, places and clear rounds in special classes will not count towards agility warrant points or grade progression at Kennel Club shows.

In case of cancellation of the show within seven days of the show date, notification will be sent to the relevant web sites and posted on applicable facebook groups where possible. It will be the competitor's responsibility to check with these services if continuation of the show is in doubt.
