## ELIGIBILITY FOR CLASSES

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed **Championship Agility, Premier Agility, Open Agility or Limited Agility** Shows (i.e. special classes and invitational events excepted). Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping classes. All standard classes must contain the Weaving Poles obstacle. Standard Agility classes must contain the following elements: "A Ramp", Dog Walk and See-Saw.

With this proviso classes are defined as follows:-

A maximum of four standard classes may be scheduled for any dog on an individual day of competition. Any number of special classes may be scheduled.

**Class Structure.** A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for a maximum of three consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

Competitors will be allowed to walk the course set at Small, Medium, Intermediate or Large height without their dog(s) before the class begins.

**Progression.** Progression from each Grade will be determined by the eligibility for the class as referenced in H(1)(A)11. Results from Combined Classes will only count towards progression from the dog's current grade.

To count for progression wins must be gained in standard classes at Kennel Club Licensed Agility Shows.

Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

**Points Progression.** At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers. A minimum of 50 points must be gained in agility (not jumping) classes in the relevant grade. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

**Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.**

## STANDARD CLASSES

**Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the two wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.**

**Grade 1** Open to owners, handlers or dogs which have not gained a minimum of two first places at Grade 1 at Kennel Club Licensed Agility Shows, at least one of which must have been gained in an agility (not jumping) class. N.B Owners, handlers or dogs previously qualified out of Grade 1 are not eligible for this class.

**Grade 2** Open to dogs which are not eligible for Grade 1 or have elected to progress on points from Grade 1 and are not eligible for Grades 3, 4, 5, 6, or 7.

**Grade 3** Open to dogs which have gained a minimum of two first places at Grade 2 at Kennel Club Licensed Agility Shows, one of which must have been gained in an agility (not jumping) class, or have elected to progress on points from Grade 2 and are not eligible for Grades 2, 4, 5, 6 or 7.

**Grade 4** Open to dogs which have gained a minimum of three first places at Grade 3 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping classes), or have elected to progress on points from Grade 3 and are not eligible for Grades 2, 3, 5, 6 or 7

**Grade 5** Open to dogs which have gained a minimum of four first places at Grade 4 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 6 or 7

**Grade 6** Open to dogs which have gained a minimum of four first places at Grade 5 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 5 or 7.

**Grade 7** Open to dogs which have gained a minimum of five first places at Grade 6 at Kennel Club Licensed Agility Shows, three of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 5 or 6.

**Championship Class (Kennel Club Championship Agility Certificate)**

Open to dogs having qualified to compete in Grade 7 which have had 5 wins at Full Height in either Grade 6 or Grade 7, at least 3 of which must be gained in agility classes. To consist of 2 qualifying rounds of Standard Kennel Club Classes, 1 Agility Class and 1 Jumping Class, and a final round of Agility, to be held at the same Show.

## SPECIAL CLASSES

Societies may schedule classes other than those defined above as "**Special classes**". The eligibility for "Special" classes must be defined by the Society and included in the schedule. The word "Special" must be included in the title of the class. Where special classes are classified for older and/or inexperienced dogs, the height of the hurdles, the A-ramp and the dog walk, the length of the long jump, may be reduced below the dimensions specified in these regulations, in which case such dimensions must be included in the class definition in the show schedule.

**Marking for special classes may deviate from marking for standard classes, but must be specified in the schedule. Wins, places and clear rounds in special classes will not count towards agility warrant points or grade progression at Kennel club Shows.**

## CRUFTS and DISCOVER DOGS AGILITY HEAT REGULATIONS 2022/2023

### General Regulations

The following regulations apply to all Crufts and Discover Dogs qualifying Agility competitions and heats. All events must be judged under the appropriate Kennel Club regulations H & H (1) in force at the time of the event. Competitors entering any competition will be deemed to have agreed to abide by these regulations. All heats must take place at Kennel Club licensed shows and the class name in the schedule should replicate exactly the name of the competition as stated in these regulations. All Kennel Club supported competitions should be judged using standard marking. If the entry for the heat exceeds the Kennel Club limit for a judge in a day, then the class will be equally split and another judge appointed for the second part. Qualifiers and points from that heat will be taken in equal proportion from each part. Dogs entered in any heats must be eligible for the competition entered. Judges have the right to check the dog's Kennel Club Agility Record Book to ensure the dog is running in the correct height category. Where points are accumulated throughout the year these will be allocated to the specific handler and dog partnership (no substitution of dog or handler may be made). If there is an equality of points after all the heat results have been calculated the dog and handler partnership which has achieved the highest place at a heat will take preference in the final allocation of places. An entry fee will be charged for each dog at Crufts and Discover Dogs

### Crufts Singles Agility Competition 2022/2023

Qualifying heats will be scheduled as a standard combined class for grades 6 & 7. There will be a separate qualifying competition for each height category (small, medium, intermediate and large) with 11 heats for each height, held at Kennel Club licensed shows throughout the country.

#### **Eligibility**

Competitors may enter more than one dog in a heat. Competitors may qualify more than one dog for the final.

#### **Qualifying**

The first 10 placed dogs in each heat will have the following points awarded:

1<sup>st</sup> place = 10 points, 2<sup>nd</sup> place = 9 points etc. down to 10<sup>th</sup> place = 1 point. Qualifying points will be awarded down to 10<sup>th</sup> even if the show does not award class places down to 10<sup>th</sup>. The top 8 dogs from each height with the highest accumulation of points will be invited to compete in the Crufts Singles Agility Finals at Crufts 2023. Please note that there will be an entry fee to compete in the final.

If a qualified handler or dog is unable/unfit to attend the final, reserves will be taken from dog/s with the highest number of points from the heats which have/has not qualified.

Dogs entered in any heats must be eligible for the competition entered and judges retain the right to check the height of any dog or ask to see the height stated in the Kennel Club Record Book. The handler that qualifies a dog for the Quarter-Final / Semi-Final / Final will be the handler that competes, handler substitutions are not allowed. If the first invitation to compete is declined it invalidates any reserve places in any other competition.
