#### **ELIGIBILITY FOR CLASSES**

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Championship Agility, Premier Agility, Open Agility or Limited Agility Shows (i.e. special classes and invitational events excepted).

Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping classes. All standard classes must contain the Weaving Poles obstacle. Standard Agility classes must contain the following elements: "A Ramp", Dog Walk and See-Saw. With this proviso classes are defined as follows:-

**A maximum of four standard classes may be scheduled for any dog on an individual day of competition. Any number of special classes may be scheduled.**

**Class Structure.** A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for **a maximum of three** consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

**Progression.** Progression from each Grade will be determined by the eligibility for the class as referenced in H(1)(A)11. Results from Combined Classes will only count towards progression from the dog's current grade.

To count for progression wins must be gained in standard classes at Kennel Club Licensed Agility Shows.

Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Competitors will be allowed to walk the course set at Small, Medium, Intermediate or Large height without their dog(s) before the class begins.

**Points Progression.** At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers). **A minimum of 50 points must be gained in agility (not jumping) classes in the relevant grade.** If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.

#### **STANDARD CLASSES**

Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the **two** wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

##### **Grade 1**

Open to owners, handlers or dogs which have not gained a minimum of two first places at Grade 1 at Kennel Club Licensed Agility Shows, at least one of which must have been gained in an agility (not jumping) class. N.B Owners, handlers or dogs previously qualified out of Grade 1 are not eligible for this class.

##### **Grade 2**

Open to dogs which are not eligible for Grade 1 or have elected to progress on points from Grade 1 and are not eligible for Grades 3, 4, 5, 6, or 7.

##### **Grade 3**

##### **Grade 4**

Open to dogs which have gained a minimum of three first places at Grade 3 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping classes), or have elected to progress on points from Grade 3 and are not eligible for Grades 2, 3, 5, 6 or 7

##### **Grade 5**

### **Championship Class (Kennel Club Championship Agility Certificate)**

Open to dogs having qualified to compete in Grade 7 which have had **five** wins at Full Height in either Grade 6 or Grade 7, at least **three** of which must be gained in agility classes. To consist of 2 qualifying rounds of Standard Kennel Club Classes, 1 Agility Class and 1 Jumping Class, and a final round of Agility, to be held at the same Show.

### **SPECIAL CLASSES**

Societies may schedule classes other than those defined above as "Special classes". The eligibility for "Special" classes must be defined by the Society and included in the schedule. The word "Special" must be included in the title of the class. Where special classes are classified for older and/or inexperienced dogs, the height of the hurdles, the A-ramp, and the dog walk, and the length of the long jump, may be reduced below the dimensions specified in these regulations, in which case such dimensions must be included in the class definition in the show schedule.

Marking for special classes may deviate from marking for standard classes but must be specified in the schedule. Wins, places and clear rounds in special classes will not count towards agility warrant points or grade progression at Kennel Club shows.

**\*\*\*\*\*IMPORTANT NOTICES\*\*\*\*\***

**Welfare of Dogs**

An exhibitor (or competitor) whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not knowingly put their dogs health and welfare at risk by any action, default, omission or otherwise. A breach of this regulation may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations. All dogs will be entered in the Show at their owners' risk and whilst every care will be taken the Committee will not accept responsibility for loss, damage or injury, however caused, to dogs, persons or property whilst at the Show. The owner, competitor, handler or other person in charge of a dog at this show must at all times ensure that the dog is kept under proper control. The owner, competitor, handler or other person in charge of a dog at this show must at all times clean up after their dogs and place in receptacles provided. Failure to do so will result in said person(s) being asked to leave the showground.

**Dogs in Hot Cars**

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog.

If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for damage caused.

**Cancellation Policy due to Inclement Weather**

The British weather has been kinder to dog lovers this year with fewer shows needing to be cancelled or postponed due to inclement weather. No event may be postponed should the original event not be able to be held due to unforeseen circumstances; the event must be cancelled. If the society wishes to reschedule the show/trial this may be done by applying for a new licence, issuing a new schedule etc, and entries from the original date may not be carried forward.

It is hoped that this will safeguard competitors as they will not be in a position of losing entry fees if a show/trial was to be postponed to a date on which they were unable to attend.

With the increasing frequency of show cancellations due to inclement weather, Weardale Dog Training club have the following cancellation policy.

1. In the event that the show is cancelled due to unforeseen circumstances, the society will refund fees, less reasonably incurred expenses. If the show processor has the provisions to do so, competitors will be refunded in the manner in which they entered the show, but in any event the society will refund fees within 3 months of the show date to all those who had entered and requested a refund within 1 month of the show date. (By 16<sup>th</sup> August 2022)
2. In calculating this all reasonable costs will be taken into account.

**Day parking will be in a designated area within the camping field.**

**Please park where you are directed to.**

## **THE KENNEL CLUB AGILITY STAKES RULES 2022** **Held at The London International Horse Show**

All events must be judged under the appropriate Kennel Club regulations H & H(1) in force at the time of the event. Competitors entering any competition will be deemed to have agreed to abide by these rules.

All heats must take place at Kennel Club licensed shows and the class name in the schedule should replicate exactly the name of the competition as stated in these rules.

All Kennel Club supported competitions must be judged using standard marking.

If the entry for the heat exceeds 360 the class must be split into two equal parts. If the entry exceeds 540 the class must be split into three equal parts. No part, if split, may be less than 150 dogs. Rosettes and awards remain unchanged if the heat is split and will be given for each part.

Dogs entered in any heats must be eligible for the competition entered and judges retain the right to check the height of any dog or ask to see the height stated in The Kennel Club record book.

The handler that qualifies a dog for the quarter-final / semi-final / final will be the handler that competes, handler substitutions are not allowed.

Dogs cannot compete in more than one competition at The Kennel Club Agility Stakes finals. If a dog qualifies for more than one quarter-final or semi-final the first successful qualification will take precedence and the dog will be withdrawn from any further quarter/semi-finals and replaced by a reserve.

Once a dog has qualified for The Kennel Club Agility Stakes final, or as a reserve the handler is deemed to have accepted an offer to compete at The Kennel Club Agility Stakes final, it invalidates any reserve places in any other competition. If the first invitation to compete is declined it invalidates any reserve places in any other competition.

All winners of The Kennel Club Agility Stakes grand finals will be invited to compete in the following years quarter-final or semi-final without qualifying through the usual procedure via heats.

(These rules would be amended if any changes are made to Kennel Club Agility Regulations during the course of the competition year)

# The Margaret Bill Memorial Trophy

Margaret gave very generously of her time to Weardale DAC and before that Otley DTS, being club secretary of both clubs, taking training and being heavily involved in the organisation of the club shows.

She started doing agility 1996, initially competing with her Welsh Springers, then getting her collies Jess, Zoe, Ghillie and Skye. Zoe took Margaret to the Olympia Senior Semi-finals - an achievement of which she was rightly very proud, especially as she was in her 70s. She battled long and hard against her failing health, but when Margaret's illness meant she was no longer able to compete in agility, she still came to Club and went to shows, enjoying watching her fellow club members train and compete.

Margaret is still greatly missed by Weardale DAC and by the very many friends she made in the agility world.

This will be presented at approximately noon on Sunday 17<sup>th</sup> July 2022 to the top grade 3 dog from classes 13 and 15 combined from that day.

Points will be awarded as follows for clear rounds only
