ELIGIBILITY FOR CLASSES

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Championship Agility, Premier Agility, Open Agility or Limited Agility Shows (i.e. special classes and invitational events excepted).

Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping classes. All standard classes must contain the Weaving Poles obstacle. Standard Agility classes must contain the following elements: "A Ramp", Dog Walk and See-Saw. With this proviso classes are defined as follows:-

A maximum of four standard classes may be scheduled for any dog on an individual day of competition. Any number of special classes may be scheduled.

Class Structure. A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for **a maximum of three** consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

Progression. Progression from each Grade will be determined by the eligibility for the class as referenced in H(1)(A)11. Results from Combined Classes will only count towards progression from the dog's current grade.

To count for progression wins must be gained in standard classes at Kennel Club Licensed Agility Shows.

Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Competitors will be allowed to walk the course set at Small, Medium, Intermediate or Large height without their dog(s) before the class begins.

Points Progression. At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers). **A minimum of 50 points must be gained in agility (not jumping) classes in the relevant grade.** If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.

STANDARD CLASSES

Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the **two** wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

Grade 1

Open to owners, handlers or dogs which have not gained a minimum of two first places at Grade 1 at Kennel Club Licensed Agility Shows, at least one of which must have been gained in an agility (not jumping) class. Grade 4

Open to dogs which have gained a minimum of three first places at Grade 3 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping classes), or have elected to progress on points from Grade 3 and are not eligible for Grades 2, 3, 5, 6 or 7

Championship Class (Kennel Club Championship Agility Certificate)

Open to dogs having qualified to compete in Grade 7 which have had five wins at Full Height in either Grade 6 or Grade 7, at least three of which must be gained in agility classes. Ballot for championship running orders a. Agility Round and Jumping Round - A draw for the running order of the Agility and Jumping Rounds must be made prior to the show. The relevant competitors must be notified before the day of the show. The dogs must run in the order in which they are drawn unless agreed otherwise by the judge, in conjunction with the show manager, who may, in exceptional circumstances, relax the running order, by no more than 10 dogs. All such decisions must be recorded in the show's Incident Book.

SPECIAL CLASSES

Societies may schedule classes other than those defined above as "Special classes". The eligibility for "Special" classes must be defined by the Society and included in the schedule. The word "Special" must be included in the title of the class. Where special classes are classified for older and/or inexperienced dogs, the height of the hurdles, the A-ramp, and the dog walk, and the length of the long jump, may be reduced below the dimensions specified in these regulations, in which case such dimensions must be included in the class definition in the show schedule.

Marking for special classes may deviate from marking for standard classes but must be specified in the schedule. Wins, places and clear rounds in special classes will not count towards agility warrant points or grade progression at Kennel Club shows.

Anysize

These are special classes. Jumps will be set at 400mm 300mm and 200mm (Chose your height however jumps will not be raised and lowered) The jumping classes will include only jumps and tunnels.

24. In estimating the number of awards won, all wins up to and including 25 days before the competition shall be counted when entering for any class. **(Any wins before 27th June 2023)** For these purposes a competition shall be defined as all classes covered within the same schedule. In event that a dog becomes eligible for the next grade at a particular show, after the entry for that show has been sent, it is the competitor's responsibility to notify the show secretary and processor at least 14 days before the date of the show. The dog will then be moved into the appropriate class(es) for the next grade. The dog must be moved into the corresponding number of classes as were entered at the lower grade. If there are fewer or no classes available for the next grade the competitor should be offered a refund of the relevant entry fees.
25. Should circumstances so dictate the Society, in consultation with the Judges may alter arrangements as necessary. Such changes and the circumstances surrounding them must be reported to the Kennel Club.
26. **With the increasing frequency of show/trial cancellations due to inclement weather, Weardale Dog Training club have the following cancellation policy.** In the event that the show is cancelled due to unforeseen circumstances, the society will refund fees, less reasonably incurred expense. If the show processor has the provisions to do so, competitors will be refunded in the manner in which they entered the show, but in any event the society will refund fees within 3 months of the show date to all those who had entered and requested a refund within 1 month of the show date. **(By 22nd August 2023)**
27. Except for mobility aids, nothing shall be carried in the hand while the dog is under test and food shall not be given to a dog whilst in the ring. **Competitors are prohibited from wearing bags or leads whilst under test.**
28. Should a judge deem a re-run is required, any result and/or faults gained in the previous run must be discounted.
29. Separate entry forms must be completed by each owner and must be signed by the owner or his authorised agent in accordance with the provisions specified thereon. Entry forms must be accompanied with the appropriate fees.
30. Free Passes - N/A
31. Competition of Dogs Suffering from Contagious or Infectious Disease - No dogs suffering from infectious or contagious disease or having been exposed to such disease during the period of 21 days prior to the Competition may compete. Competitors infringing the Regulations will be liable to be fined and/or dealt with under Kennel Club Rule A11.
32. It is the competitor's responsibility to be available for their class and running order. Competitors must run as close to their running order as possible. Failure to do so may be reported to the Kennel Club. In championship classes competitors must run in exact running order specified in the regulations.
33. **Animals in Events**
No animal other than one officially entered shall be brought into the precincts of the event during its continuance, except any dogs registered to assist the disabled, or dogs required for educational or instructional purposes or by permission of the board. However, at the discretion of the show society, a dog brought to the show by a spectator may be admitted into the precincts of the dog show, with the proviso that those in charge of the dog sign a declaration confirming the dog is free from disease and that the dog will be kept under proper control at all times.
34. A pay on the day class will be held if time permits.
35. A practice ring may be available to dogs entered for competition at the show, if space allows. This ring must be supervised by a responsible adult with agility knowledge.
36. **Welfare of Dogs**
An exhibitor (or competitor) whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not knowingly put their dogs health and welfare at risk by any action, default, omission or otherwise. A breach of this regulation may be referred to the board for disciplinary action under Kennel Club Rules and Regulations. **The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any Agility show licensed by the Kennel Club. This shall apply at the venue and within the precincts of the show.**
37. The show organisers or their authorised agents may make results from this show publicly available and share results with third parties for the same purpose.

Children under the age of 11 are the responsibility of and must be accompanied at all times by a parent or guardian including when competing.

*******IMPORTANT NOTICES*******

Welfare of Dogs

An exhibitor (or competitor) whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not knowingly put their dogs health and welfare at risk by any action, default, omission or otherwise. A breach of this regulation may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations. All dogs will be entered in the Show at their owners' risk and whilst every care will be taken the Committee will not accept responsibility for loss, damage or injury, however caused, to dogs, persons or property whilst at the Show. The owner, competitor, handler or other person in charge of a dog at this show must at all times ensure that the dog is kept under proper control. The owner, competitor, handler or other person in charge of a dog at this show must at all times clean up after their dogs and place in receptacles provided. Failure to do so will result in said person(s) being asked to leave the showground.

Dogs in Hot Cars

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog.

If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for damage caused.

Cancellation Policy due to Inclement Weather

The British weather has been kinder to dog lovers this year with fewer shows needing to be cancelled or postponed due to inclement weather. No event may be postponed should the original event not be able to be held due to unforeseen circumstances; the event must be cancelled. If the society wishes to reschedule the show/trial this may be done by applying for a new licence, issuing a new schedule etc, and entries from the original date may not be carried forward.

It is hoped that this will safeguard competitors as they will not be in a position of losing entry fees if a show/trial was to be postponed to a date on which they were unable to attend.

With the increasing frequency of show cancellations due to inclement weather, Weardale Dog Training club have the following cancellation policy.

1. In the event that the show is cancelled due to unforeseen circumstances, the society will refund fees, less reasonably incurred expenses. If the show processor has the provisions to do so, competitors will be refunded in the manner in which they entered the show, but in any event the society will refund fees within 3 months of the show date to all those who had entered and requested a refund within 1 month of the show date. (By 22nd August 2023)
2. In calculating this all reasonable costs will be taken into account.

Day parking will be in a designated area within the camping field.

Please park where you are directed to.

THE KENNEL CLUB AGILITY STAKES RULES 2023 Held at The London International Horse Show

The Margaret Bill Memorial Trophy

Margaret gave very generously of her time to Weardale DAC and before that Otley DTS, being club secretary of both clubs, taking training and being heavily involved in the organisation of the club shows.

She started doing agility 1996, initially competing with her Welsh Springers, then getting her collies Jess, Zoe, Ghillie and Skye. Zoe took Margaret to the Olympia Senior Semi-finals - an achievement of which she was rightly very proud, especially as she was in her 70s. She battled long and hard against her failing health, but when Margaret's illness meant she was no longer able to compete in agility, she still came to Club and went to shows, enjoying watching her fellow club members train and compete.

Margaret is still greatly missed by Weardale DAC and by the very many friends she made in the agility world.

This will be presented at approximately noon on Sunday 23rd July 2023 to the top intermediate grade 3 dog from classes 13 and 15 combined from Saturday.

Points will be awarded as follows for clear rounds only
