Discover Dogs Small / Mixi Pairs Challenge (Special) 2021

This is a competition consisting of eight heats of jumping. The competition is open to small dogs, partnering a medium dog, intermediate dog or a large dog, and heats will be scheduled as a Special combined class for grades 1 to 7.

Eligibility

The competition is open to two dogs with separate handlers. One dog must be a small dog, 35cm or under at the withers, the partner can be a medium dog, over 35cm but 43cm or under at the withers, or an intermediate dog over 43cm and measuring 50cm or under at the withers, or a large dog over 50cm.

Handlers with more than one dog may enter in more than one pair. However, they may only qualify a maximum of two dogs for the final. No substitute handlers will be allowed in the final.

Should a qualified dog or handler within a pair be unable/unfit to enter the final that pair will not be able to compete. Their place in the final will be offered to the next available pair with the highest points who have not qualified.

Competition Rules

The competition will be held under Kennel Club rules and regulations for Agility and any handler entering the competition will be deemed to have agreed to abide by these rules and regulations. Standard rules will apply and all equipment used shall be of a standard size for that height category.

This is normally a relay competition involving a baton change between each dogs run. However due to Covid-19 there will be no baton changeover and the event will be run as 2 individual scored runs following each other. The times and faults of each dogs run will be added together to produce a pairs score.

An elimination will incur a penalty of 100 faults. Once a dog has been eliminated it cannot incur further faults. However, if either member of the pair fail to complete the course or either of the dogs foul the ring the pair will be disqualified.

The competition will involve changes of height of the obstacles being jumped by the medium/intermediate/large dogs at two stages during the class. The judge will decide which height of dog to start with and will announce the changes of height when relevant. It is the competitors' responsibility to be available accordingly. The course will be walked by everyone before the beginning of the class.

The final will consist of two rounds of jumping competition. The winners of the Discover Dogs Small / Mixi Pairs will be the pair with the least combined faults in the fastest combined time calculated over the two rounds of the final. Discover Dogs will be held at Excel, London in 2021. Car parking will not be provided by the Kennel Club.

Qualifying

Points will be awarded to the specific pair (consisting of two handlers with their dogs) which competes at the heat. Points are not transferable between different pair combinations.

Pairs will score 15 points for 1st place down to 1 point for 15th place. Points will be accumulated over all eight heats and the 15 pairs with the most points will go through to the final at Discover Dogs 2021.

Competitors may enter more than one dog in a heat. Competitors may qualify more than one dog for the Semi-Final at the International Agility Festival, however only the competitor's highest placed dog at the Semi-Final will qualify for the Crufts Grand Final.

Once a dog has qualified for the Semi-Final, further heats may be entered for competition although any placings in these heats will not affect the dog's eligibility for the Semi-Final.

The first 2 previously unqualified dogs from each heat will go forward to the Semi-Final at the Kennel Club International Agility Festival on Saturday 14th August. There will also be a Novice Cup heat at the Kennel Club International Agility Festival on Thursday 12th August, where the first 5 previously unqualified placed dogs will also go forward to Saturday's Semi-Final. All heats must take place at Kennel Club licensed shows and the class name in the schedule should replicate exactly the name of the competition as stated in these rules.

Dogs entered in any heats must be eligible for the competition entered and judges retain the right to check the height of any dog or ask to see the height stated in the Kennel Club Record Book.

The handler that qualifies a dog for the Quarter-Final / Semi-Final / Final will be the handler that competes, handler substitutions are not allowed.

Dogs cannot compete in more than one competition at The Kennel Club Agility Stakes finals. Once a dog has qualified for The Kennel Club Agility Stakes final or as a reserve the handler is deemed to have accepted an offer to compete at The Kennel Club Agility Stakes final, it invalidates any reserve places in any other competition. If the first invitation to compete is declined it invalidates any reserve places in any other competition.

All winners of The Kennel Club Agility Stakes Grand Finals will be invited to compete in the following year's Quarter-Final or Semi-Final at Vale View Equestrian without qualifying through the usual procedure via heats.

(These rules would be amended if any changes are made to Kennel Club Agility Regulations during the course of the competition year).

Eligibility for Classes

In the following definitions of classes 1st prizes or other prize wins are those gained in standard classes at any Kennel Club licensed championship agility, premier agility, open agility or limited agility shows (i.e. special classes and invitational events excepted). Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Standard classes may be scheduled for agility shows, as agility classes or jumping classes. All standard classes must contain the weaving poles obstacle. Standard agility classes must contain the following elements: "A Ramp", dog walk and see-saw. With this proviso classes are defined as follows:

A maximum of four standard classes may be scheduled for any dog on an individual day of competition. Any number of special classes may be scheduled.

Class Structure. A class may either be held as a graded class or a combined class. A graded class may be scheduled for a maximum of three consecutive grades with separate results and awards issued for each grade. A combined class may be scheduled for more than one consecutive grade with one overall set of results.

Progression. Progression from each grade will be determined by the eligibility for the class as referenced in H(1)(A)11. Results from combined classes will only count towards progression from the dog's current grade.

To count for progression wins must be gained in standard classes at Kennel Club licensed agility shows.

Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Competitors will be allowed to walk the course set at small, medium, intermediate or large height without their dog(s) before the class begins.

COVID INCLUSION: Guidance has been published on course walking considerations: thekennelclub.org.uk/resumptionofevents

Points Progression. At the handler's discretion a dog may progress up to grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers). A minimum of 50 points must be gained in agility (not jumping) classes in the relevant grade. If this method of progression is selected, the handler must ensure the show secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.

STANDARD CLASSES

Only first prizes and points gained in standard classes at Kennel Club licensed agility shows may be used for progression through the classes. (A dog is only eligible for one grade). Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- At the show, your dog is vulnerable and at risk if left in a vehicle in high temperatures.
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

Warning: if your dog is found to be at risk, forcible entry to your vehicle may be necessary without liability for any damage caused. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

Right to Refuse Entries: Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.
